DISCUSSION

PA Prescriptive Authority Rules: Kristen provided the Committee an update on the PA rules approved by the Medical Board in October. The rules were rejected due to the application fee for prescriptive authority. The Committee stated they wanted Kristen to move forward on these rules adding back in the fee information.

Richard White, P.A.: The Committee requested that Mr. White obtain an addictionology evaluation based upon answers on his renewal application. Mr. White did obtain the evaluation but by the time the Committee received the evaluation report the ninety (90) days in which the Committee has to act were past. Therefore Mr. White's license was renewed by operation of law.

The Committee expressed concerns with information in the evaluation and requested that Kristen file a complaint with the Attorney General's Office.
